| Domain Security | 60/100             |

## Meta (12)

| Status | Check                                                   | Message                                                    | Recommendation |
|--------|---------------------------------------------------------|------------------------------------------------------------|----------------|
| Pass   | Title tag present<br>title_present                      | Title tag found.                                           | —              |
| Pass   | Title length<br>title_length                            | Title length 40 chars — within recommended range.          | —              |
| Pass   | Title pixel width<br>title_pixel_width                  | Title is ~303px wide — fits within the SERP display limit. | —              |
| Pass   | Title is descriptive<br>title_unique_words              | 6 words — descriptive enough.                              | —              |
| Pass   | Meta description present<br>meta_description_present    | Meta description present.                                  | —              |
| Pass   | Meta description length<br>meta_description_length      | Description 126 chars — within range.                      | —              |
| Pass   | OpenGraph title present<br>og_title_present             | Og title present present.                                  | —              |
| Pass   | OpenGraph description present<br>og_description_present | Og description present present.                            | —              |

| Status | Check                                              | Message                       | Recommendation |
|--------|----------------------------------------------------|-------------------------------|----------------|
| Pass   | OpenGraph image present<br>og_image_present        | Og image present present.     | —              |
| Pass   | Twitter card present<br>twitter_card_present       | Twitter card present present. | —              |
| Pass   | Viewport meta tag present<br>meta_viewport_present | Viewport meta tag present.    | —              |
| Pass   | Charset meta tag present<br>meta_charset_present   | Charset declared.             | —              |

Headings (5)

| Status  | Check                                  | Message                             | Recommendation                                           |
|---------|----------------------------------------|-------------------------------------|----------------------------------------------------------|
| Pass    | H1 tag present<br>h1_present           | Found 1 H1.                         | —                                                        |
| Pass    | Single H1 tag<br>h1_count              | Exactly one H1.                     | —                                                        |
| Pass    | H1 has reasonable length<br>h1_length  | H1 length 64 chars.                 | —                                                        |
| Pass    | Sufficient H2 tags<br>h2_count         | 6 H2 tags — good content structure. | —                                                        |
| Warning | Heading hierarchy<br>heading_hierarchy | Heading levels skipped 2 times.     | Maintain logical heading order (h1 → h2 → h3, no jumps). |

Schema (7)

| Status | Check                                                        | Message                                                          | Recommendation |
|--------|--------------------------------------------------------------|------------------------------------------------------------------|----------------|
| Pass   | JSON-LD structured data present<br>schema_json_ld_present    | 3 JSON-LD blocks present.                                        | —              |
| Pass   | JSON-LD is valid JSON<br>schema_valid_json                   | All JSON-LD blocks parse cleanly.                                | —              |
| Pass   | Recommended schema types used<br>schema_recommended_types    | Recommended schema types found.                                  | —              |
| Pass   | No deprecated schema types<br>schema_no_deprecated           | No deprecated schema types.                                      | —              |
| Pass   | No restricted schema types<br>schema_no_restricted           | No restricted schema types.                                      | —              |
| Pass   | Schema has required properties<br>schema_required_properties | Recognised schema types include their required properties.       | —              |
| Info   | Microdata or RDFa present<br>schema_microdata_present        | No microdata. JSON-LD is preferred — this is informational only. | —              |

Technical (9)

| Status | Check                                                   | Message                        | Recommendation |
|--------|---------------------------------------------------------|--------------------------------|----------------|
| Pass   | Canonical URL present<br>canonical_present              | Canonical link found.          | —              |
| Pass   | Canonical self-references<br>canonical_self_referencing | Canonical points to this page. | —              |

| Status | Check                                            | Message                                             | Recommendation                                |
|--------|--------------------------------------------------|-----------------------------------------------------|-----------------------------------------------|
| Pass   | Page is indexable<br>robots_meta_indexable       | No noindex directive (meta robots or X-Robots-Tag). | —                                             |
| Pass   | Minimal redirect chain<br>redirect_chain_minimal | URL resolves directly with no redirects.            | —                                             |
| Pass   | HTML lang attribute<br>lang_attribute_present    | <html lang="en"> declared.                          | —                                             |
| Pass   | HTML5 doctype<br>doctype_html5                   | HTML5 doctype declared.                             | —                                             |
| Pass   | Favicon present<br>favicon_present               | Favicon declared.                                   | —                                             |
| Pass   | HTTP status 2xx<br>http_status_ok                | Server returned 200.                                | —                                             |
| Fail   | Response time acceptable<br>response_time_ok     | Fetches in 2898 ms — too slow.                      | Investigate server performance, caching, CDN. |

## Sitemap (6)

| Status | Check                                             | Message                                                                   | Recommendation |
|--------|---------------------------------------------------|---------------------------------------------------------------------------|----------------|
| Pass   | robots.txt accessible<br>robots_txt_found         | robots.txt found.                                                         | —              |
| Pass   | robots.txt does not block<br>robots_txt_no_block  | robots.txt does not block this page.                                      | —              |
| Pass   | sitemap.xml accessible<br>sitemap_xml_found       | Sitemap found at https://abhirachnadental.com/wp-sitemap.xml (1020 URLs). | —              |
| Pass   | Sitemap lists URLs<br>sitemap_url_count           | Sitemap lists 1020 URLs.                                                  | —              |
| Pass   | Page is listed in sitemap<br>sitemap_contains_url | This page is listed in the sitemap.                                       | —              |
| Pass   | Sitemap referenced<br>sitemap_referenced          | Sitemap referenced from robots.txt.                                       | —              |

## Ssl Security (7)

| Status  | Check                                              | Message                                   | Recommendation                                               |
|---------|----------------------------------------------------|-------------------------------------------|--------------------------------------------------------------|
| Pass    | Page served over HTTPS<br>ssl_https                | Served over HTTPS.                        | —                                                            |
| Pass    | TLS handshake succeeds<br>ssl_valid                | TLS handshake succeeded.                  | —                                                            |
| Pass    | HTTP redirects to HTTPS<br>http_redirects_to_https | HTTP requests redirect to HTTPS.          | —                                                            |
| Warning | HSTS header present<br>hsts_header_present         | Missing strict-transport-security header. | Add strict-transport-security for hardened security posture. |
| Warning | CSP header present<br>csp_header_present           | Missing content-security-policy header.   | Add content-security-policy for hardened security posture.   |

| Status  | Check                                            | Message                                | Recommendation                                            |
|---------|--------------------------------------------------|----------------------------------------|-----------------------------------------------------------|
| Warning | X-Content-Type-Options<br>x_content_type_options | Missing x-content-type-options header. | Add x-content-type-options for hardened security posture. |
| Pass    | No mixed content<br>no_mixed_content             | All subresources load over HTTPS.      | —                                                         |

Page Speed (10)

| Status  | Check                                                      | Message                                                                | Recommendation                        |
|---------|------------------------------------------------------------|------------------------------------------------------------------------|---------------------------------------|
| Fail    | PageSpeed performance score<br>pagespeed_score             | Score 40/100 — poor.                                                   | Major performance work required.      |
| Fail    | Largest Contentful Paint<br>lcp_within_threshold           | Poor: 6.81s.                                                           | Improve to ≤ 2.5s.                    |
| Fail    | Cumulative Layout Shift<br>cls_within_threshold            | Poor: 0.422.                                                           | Improve to ≤ 0.1.                     |
| Warning | First Contentful Paint<br>fcp_within_threshold             | Needs improvement: 3.19s.                                              | Aim for ≤ 1.8s.                       |
| Pass    | Time To First Byte<br>ttfb_within_threshold                | Within good threshold (0.01s).                                         | —                                     |
| Info    | Interaction to Next Paint<br>inp_within_threshold          | No CrUX field data for INP (page has insufficient real-world traffic). | —                                     |
| Info    | Largest Contentful Paint (field)<br>crux_lcp_field         | No CrUX field data available for this page.                            | —                                     |
