## Meta (11)

| Status  | Check                                                   | Message                                               | Recommendation                                            |
|---------|---------------------------------------------------------|-------------------------------------------------------|-----------------------------------------------------------|
| Pass    | Title tag present<br>title_present                      | Title tag found.                                      | —                                                         |
| Warning | Title length<br>title_length                            | Title is 8079 characters — likely truncated in SERPs. | Trim to 30-60 characters.                                 |
| Pass    | Title is descriptive<br>title_unique_words              | 1081 words — descriptive enough.                      | —                                                         |
| Pass    | Meta description present<br>meta_description_present    | Meta description present.                             | —                                                         |
| Warning | Meta description length<br>meta_description_length      | Description is 393 characters — likely truncated.     | Trim to 120-160 characters.                               |
| Pass    | OpenGraph title present<br>og_title_present             | Og title present present.                             | —                                                         |
| Warning | OpenGraph description present<br>og_description_present | Missing <meta property="og:description">.             | Add the og:description meta tag for rich social previews. |
| Pass    | OpenGraph image present<br>og_image_present             | Og image present present.                             | —                                                         |
| Pass    | Twitter card present<br>twitter_card_present            | Twitter card present present.                         | —                                                         |

| Status | Check                                              | Message                    | Recommendation |
|--------|----------------------------------------------------|----------------------------|----------------|
| Pass   | Viewport meta tag present<br>meta_viewport_present | Viewport meta tag present. | —              |
| Pass   | Charset meta tag present<br>meta_charset_present   | Charset declared.          | —              |

Headings (5)

| Status  | Check                                  | Message                              | Recommendation                             |
|---------|----------------------------------------|--------------------------------------|--------------------------------------------|
| Fail    | H1 tag present<br>h1_present           | No <h1> found.                       | Every page should have one descriptive H1. |
| Skipped | Single H1 tag<br>h1_count              | No H1 to evaluate.                   | —                                          |
| Skipped | H1 has reasonable length<br>h1_length  | No H1 to evaluate.                   | —                                          |
| Pass    | Sufficient H2 tags<br>h2_count         | 11 H2 tags — good content structure. | —                                          |
| Pass    | Heading hierarchy<br>heading_hierarchy | Heading levels descend logically.    | —                                          |

Schema (6)

| Status | Check                                                     | Message                                                          | Recommendation |
|--------|-----------------------------------------------------------|------------------------------------------------------------------|----------------|
| Pass   | JSON-LD structured data present<br>schema_json_ld_present | 1 JSON-LD blocks present.                                        | —              |
| Pass   | JSON-LD is valid JSON<br>schema_valid_json                | All JSON-LD blocks parse cleanly.                                | —              |
| Pass   | Recommended schema types used<br>schema_recommended_types | Recommended schema types found.                                  | —              |
| Pass   | No deprecated schema types<br>schema_no_deprecated        | No deprecated schema types.                                      | —              |
| Pass   | No restricted schema types<br>schema_no_restricted        | No restricted schema types.                                      | —              |
| Info   | Microdata or RDFa present<br>schema_microdata_present     | No microdata. JSON-LD is preferred — this is informational only. | —              |

Technical (8)

| Status | Check                                                   | Message                        | Recommendation |
|--------|---------------------------------------------------------|--------------------------------|----------------|
| Pass   | Canonical URL present<br>canonical_present              | Canonical link found.          | —              |
| Pass   | Canonical self-references<br>canonical_self_referencing | Canonical points to this page. | —              |
| Pass   | Page is indexable<br>robots_meta_indexable              | No noindex directive.          | —              |
| Pass   | HTML lang attribute<br>lang_attribute_present           | <html lang="en-US"> declared.  | —              |
| Pass   | HTML5 doctype<br>doctype_html5                          | HTML5 doctype declared.        | —              |
| Pass   | Favicon present<br>favicon_present                      | Favicon declared.              | —              |

| Status  | Check                                        | Message                                   | Recommendation             |
|---------|----------------------------------------------|-------------------------------------------|----------------------------|
| Pass    | HTTP status 2xx<br>http_status_ok            | Server returned 200.                      | —                          |
| Warning | Response time acceptable<br>response_time_ok | Fetches in 1454 ms — acceptable but slow. | Aim for under 800 ms TTFB. |

Sitemap (4)

| Status | Check                                            | Message                                                   | Recommendation |
|--------|--------------------------------------------------|-----------------------------------------------------------|----------------|
| Pass   | robots.txt accessible<br>robots_txt_found        | robots.txt found.                                         | —              |
| Pass   | robots.txt does not block<br>robots_txt_no_block | robots.txt does not block this page.                      | —              |
| Pass   | sitemap.xml accessible<br>sitemap_xml_found      | Sitemap found at https://drpranatiswain.com/sitemaps.xml. | —              |
| Pass   | Sitemap referenced<br>sitemap_referenced         | Sitemap referenced from robots.txt.                       | —              |

Ssl Security (6)

| Status  | Check                                              | Message                                   | Recommendation                                               |
|---------|----------------------------------------------------|-------------------------------------------|--------------------------------------------------------------|
| Pass    | Page served over HTTPS<br>ssl_https                | Served over HTTPS.                        | —                                                            |
| Pass    | TLS handshake succeeds<br>ssl_valid                | TLS handshake succeeded.                  | —                                                            |
| Pass    | HTTP redirects to HTTPS<br>http_redirects_to_https | HTTP requests redirect to HTTPS.          | —                                                            |
| Warning | HSTS header present<br>hsts_header_present         | Missing strict-transport-security header. | Add strict-transport-security for hardened security posture. |
| Warning | CSP header present<br>csp_header_present           | Missing content-security-policy header.   | Add content-security-policy for hardened security posture.   |
| Warning | X-Content-Type-Options<br>x_content_type_options   | Missing x-content-type-options header.    | Add x-content-type-options for hardened security posture.    |

Page Speed (8)

| Status  | Check                                            | Message                       | Recommendation                        |
|---------|--------------------------------------------------|-------------------------------|---------------------------------------|
| Warning | PageSpeed performance score<br>pagespeed_score   | Score 61/100 — improve.       | Investigate Lighthouse opportunities. |
| Fail    | Largest Contentful Paint<br>lcp_within_threshold | Poor: 8.7s.                   | Improve to ≤ 2.5s.                    |
| Pass    | Cumulative Layout Shift<br>cls_within_threshold  | Within good threshold (0).    | —                                     |
| Warning | First Contentful Paint<br>fcp_within_threshold   | Needs improvement: 2.91s.     | Aim for ≤ 1.8s.                       |
| Pass    | Time To First Byte<br>ttfb_within_threshold      | Within good threshold (0.6s). | —                                     |

| Status  | Check                                                      | Message                                         | Recommendation                        |
|---------|------------------------------------------------------------|-------------------------------------------------|---------------------------------------|
| Info    | Interaction to Next Paint<br>inp_within_threshold          | INP is a field-only metric — not measured here. | —                                     |
| Pass    | Few render-blocking resources<br>render_blocking_resources | No render-blocking resources detected.          | —                                     |
| Warning | Compression enabled<br>gzip_or_brotli                      | No gzip/brotli content-encoding header.         | Enable gzip or Brotli on your server. |

## Links (4)

| Status  | Check                                                | Message                                       | Recommendation                                                       |
|---------|------------------------------------------------------|-----------------------------------------------|----------------------------------------------------------------------|
| Pass    | Healthy internal link count<br>internal_link_count   | 34 unique internal links.                     | —                                                                    |
| Pass    | No broken internal links<br>no_broken_internal_links | All 10 sampled internal links return success. | —                                                                    |
| Warning | External links safe<br>external_links_safe           | 2 external _blank links missing rel=noopener. | Add rel="noopener noreferrer" to target="_blank" links for security. |
| Pass    | Descriptive anchor text<br>descriptive_anchor_text   | Anchor texts are descriptive.                 | —                                                                    |

## Images (4)

| Status  | Check                                            | Message                                             | Recommendation                                                     |
|---------|--------------------------------------------------|-----------------------------------------------------|--------------------------------------------------------------------|
| Fail    | Images have alt text<br>images_alt_present       | 1 of 3 images missing alt attribute.                | Add alt text describing each image (alt="" for purely decorative). |
| Pass    | Below-fold images lazy<br>images_lazy_loaded     | Few enough images that lazy loading is unnecessary. | —                                                                  |
| Warning | Modern image formats<br>images_modern_formats    | No images use webp/avif.                            | Adopt WebP/AVIF — typically 25-50% smaller than JPEG/PNG.          |
| Fail    | Images have dimensions<br>images_have_dimensions | Only 0/3 images have explicit dimensions.           | Add width/height attributes — required to avoid layout shift.      |

## Content (6)

| Status  | Check                                        | Message                                      | Recommendation                                     |
|---------|----------------------------------------------|----------------------------------------------|----------------------------------------------------|
| Pass    | Sufficient word count<br>word_count          | 3169 words — substantive content.            | —                                                  |
| Fail    | Readable prose<br>readability                | Flesch reading ease -110.9 — very difficult. | Aggressively simplify prose for general audience.  |
| Warning | E-E-A-T: Experience<br>eeat_experience       | Moderate:                                    | Strengthen Experience signals on this page.        |
| Warning | E-E-A-T: Expertise<br>eeat_expertise         | Moderate:                                    | Strengthen Expertise signals on this page.         |
| Warning | E-E-A-T: Authoritativeness<br>eeat_authority | Moderate:                                    | Strengthen Authoritativeness signals on this page. |
| Warning | E-E-A-T: Trustworthiness<br>eeat_trust       | Moderate:                                    | Strengthen Trustworthiness signals on this page.   |
